REPLY TO RESTRICTION REQUIREMENT AND PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the Restriction Requirement dated October 2, 2001, the claims of Group I, Claims 1-6 and 38, drawn to a monoclonal antibody and hybridoma cell line are elected, with traverse, for initial prosecution on the merits. Applicants reserve the right to file a continuing application or take such other appropriate action as deemed necessary to protect the non-elected inventions. Applicants do not hereby abandon or waive any rights in the non-elected inventions.

Responsive to the requirement for an election of a first species for searching purposes, Applicants hereby elect antibody (a) 1-10 as the species. Please note that Applicants assume that there is a typographical error in the Office Action at page 5, line 1, and that the Examiner intended to indicate antibody 1-10, and not 1019. Claims readable on the elected species are Claims 1-6 and 38.

Responsive to the requirement for an election of a second species for searching purposes, Applicants hereby elect plasma.

The requirement is being traversed for the reasons set forth in detail below.
